INDEPENDENT AUDITORS' REPORT

To the Members of Burlington Finance Limited

Report on the audit of the Financial Statements

Qualified Opinion

CHARTERED ACCOUNTANTS

We have audited the accompanying Financial Statements of Burlington Finance Ltd. (the "Company"), which comprise the Balance Sheet as at 31 March, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Change in Equity and the Statement of Cash Flow for the year then ended, and Notes to Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us except for the effects of the matter described in the Basis for Qualified Opinion section of our report, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2023, its loss and other comprehensive income, changes in equity and its cash flows for the year then ended.

Basis for Qualified Opinion

Attention is invited to Note 8: Regarding the Company's investment in unquoted equity shares with a carrying value of Rs. 20,41,78,780, preference shares with a carrying value of Rs. 7,08,00,000. The Company has not done fair valuation of these investments as required by Ind AS 109 "Financial Instrument". In the absence of fair valuation report we are unable to comment on the impact, if any, on these investments as at March 31, 2023.

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Financial Statements under the relevant provisions of the Act and Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

116

To the Members of BURLINGTON FINANCE LTD. Report on the Financial Statements for the period ended 31st March, 2023

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current period. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

In addition to the matters described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our Report:

Key Audit Matters	How our audit addressed the Key Audit Matters
Valuation of unquoted financial assets held at fair value (Note No. 8(B)(2) as per the Financial Statement)	Principal Audit Procedures: Assessed the valuation methodologies.
The valuation of the Company's unquoted financial assets held at fair value is a key audit matter due to the significance of the amount and complexity involved in the valuation process. Management makes significant judgements because of the complexity of the techniques and assumptions used in valuing some of the level 3 investment securities given the limited external evidence and unobservable market data available to support the Investment company's valuations.	Assessed the reasonableness of key assumptions based on our knowledge of the business and industry. Checked, on a sample basis, the accuracy and relevance of the input data used.
Valuation of Quoted financial assets held at fair value (Note No. 8(i)(a) as per the Financial Statement) Quoted financial assets are investments with readily available market prices. However, their fair values can still be subject to estimation uncertainty due to factors such as illiquidity or significant market volatility. Management is responsible for determining the fair value of these assets based on observable market prices or appropriate valuation techniques.	

Finance Ltd. For Burl Director/Authorised Signatory

HISCROVIA -

 Impairment loss allowances for loans and advances (as described in note 7 of the Ind AS Financial Statements) Under Ind AS 109, Financial Instruments, allowances of loan losses are determined using expected credit loss model. The expected credit losses on these financial assets are estimated using a provision matrix based on the company's historical credit loss experience, general economic conditions and an assessment of both the current as well as the forecast direction of conditions at the reporting date including time value of money where appropriate. The determination of impairment loss allowance is inherently judgement and relies on the management's best estimate due to the following: Segmentation of the loans given to the customers. Increased level of data inputs for capturing the historical data to calculate the Probability to 	We started our audit procedures with the understanding of the internal control environment related to Impairment loss allowance. Our procedures over internal controls focused on recognition and measurement of impairment loss allowance. We assessed the design and tested the operating effectiveness of the selected key controls implemented by the Company. We also assessed whether the impairment methodology used by the company is in line with the requirements of Ind AS 109, "Financial Instruments". More particularly, we assessed the approach of the company regarding the definition of default, Probability of Default, Loss Giving Default and incorporation of forward-looking information for the calculation of ECL. For loans and advances which are assessed for impairment on a portfolio basis, we performed particularly the following procedures: Tested the reliability of key data inputs and related management controls;
• Increased level of data inputs for capturing the historical data to calculate the Probability to Default (PDs), Loss Given Default (LGD) and Exposure of Default (EAD).	
 Exposure of Default (EAD). Use of management of overlay for considering the forward looking macro-economic factors, economic environment and timing of cash flows. 	Sheet date as per definition of default; and Assessed the assumptions made by the company in making accelerated provision, considering forward looking information and based on the status of a particular industry as on the reporting date.

Emphasis of Matter

As indicated in Note No. 43 to the Financial Statements, the Company is listed in Calcutta Stock Exchange. However, no Quarterly results has been submitted during the year ended 31 March 2023 as per regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 as represented by the Company. The Stock Exchange is not operating.

Our opinion is not modified in respect of the above matter.

To the Members of BURLINGTON FINANCE LTD. Report on the Financial Statements for the period ended 31st March, 2023

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards as specified under section 133 of the Act read, with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise

To the Members of BURLINGTON FINANCE LTD. Report on the Financial Statements for the period ended 31st March, 2023

from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, under Section 143(3)(i) of the Act, We are also responsible for expressing our opinion on whether the Company has adequate Internal Financial Control with reference to Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of the most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

To the Members of BURLINGTON FINANCE LTD.

Report on the Financial Statements for the period ended 31st March, 2023

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in 'the Annexure-A, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained, except for the matter(s) described in the "Basis for Qualified Opinion" paragraph all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, except for the matter(s) described in the "Basis for Qualified Opinion" paragraph proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) Except for the matter described in the "Basis for Qualified Opinion", the Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion, except for the matter described in the "Basis for Qualified Opinion" the aforesaid Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder;
 - (e) Our observations or comments described in the "Basis for Qualified Opinion" paragraph does not have any adverse effect on the functioning of the Company;
 - (f) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March 2023 from being appointed as a director in terms of Section 164 (2) of the Act;
 - (g) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion section;
 - (h) With respect to the adequacy of the internal financial controls with reference to Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" wherein we have expressed an expressed a qualified opinion.
 - (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Report on the Internal Financial Controls with reference to the Financial Statements under Clause (i) of Sub-section 3 of section 143 of the Companies Act, 2013

We have audited the internal financial controls with reference to financial statement of Burlington Finance Limited ("the Company") as at 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("The Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statement based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statement was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to these financial statement.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial statements includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisation of the management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management, override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with respect to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

1HAS

CHARTERED

According to the information and explanation given to us the following material weakness has been identified as at March 31, 2023

The Company's internal financial control regarding fair valuation of its investment as required by Ind AS 109 "Financial Instruments" in respect of Unquoted equity shares and Preference share were not operating effectively as on March 31, 2023, which would result not recognising fair value gain/loss appropriately in these financial statement of the Company.

A 'material weakness' is a deficiency or a combination of deficiencies in internal financial control over a financial reporting, such that there is a reasonable possibility that a material misstatement of a company's annual or interim financial statement will not be prevented or detected on a timely basis.

In our opinion, the Company has, in all material respects an adequate internal financial controls system with reference to financial statement and such internal financial controls with respect to financial statement were operating effectively as at 31st March 2023, based on the internal control with respect to financial statement criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Financial

Reporting issued by the Institute of Chartered Accountants of India and except for the possible effects of material weakness described above on the achievement of the objectives of the control criteria, the internal financial control over financial reporting with reference to these Financial Statement were operating effectively as of March 31, 2023.

We also have audited in accordance with the Standard of Auditing issued by the Institute of Chartered Accountant of India, as specified under section 143(10) of the Act, this Financial Statement of Burlington Finance Limited which comprise Balance sheet as at March 31, 2023, and the related statement of Profit and Loss and Cash Flow Statement for the year ended, and summery of significant accounting policies and other explanatory information. These material weaknesses were considered in determining the nature, timing and extent of audit test applied in our audit of the March 31, 2023 Financial Statement of Burlington Finance Limited and the report does not affect our report dated Jute 30, 2023 which express a qualified opinion on those financial statement.

BURLINGTON FINANCE LIMITED Notes to IND AS Financial Statement for the year ended March 31, 2023

1. Corporate Information

Burlington Finance Limited, incorporated in Kolkata, India as a Non-Banking Financial Company having registered place of business at 16, Netaji Subhas Road, 4th Floor, Kolkata, West Bengal-700001. Burlington Finance Limited is registered as a non-deposit taking non-banking financial company vide number 05.01274 dated 27th day of March, 1998 as defined u/s 45-1A of the Reserve Bank of India Act, 1934.

The financial statements of the Company for the year ended March 31, 2023 were approved for issue in accordance with the resolution of the Board of Directors on June 30, 2023.

2. Basis of Preparation of Financial Statement.

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015, as amended, from time to time and notified under section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies 4(Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act, as amended and any application guidance/ clarifications/ directions issued by RBI or other regulators are implemented as and when they are issued/ applicable. The financial statements have been prepared on a going concern basis. The Company uses accrual basis of accounting except in case of significant uncertainties

2.1 Presentation of financial statements

The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to Non-banking Finance Companies (NBFCs), as notified by the MCA. The Statement of Cash Flows has been presented as per the requirements of Ind-AS 7 Statement of Cash Flows. The Company classifies its assets and liabilities as financial and non-financial. The Company presents its Balance Sheet in order of liquidity. The Company generally reports financial assets and financial liabilities on a gross basis in the Balance Sheet. They are offset and reported net only when Ind AS specifically permits the same or it has an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event. Similarly, the Company offsets incomes and expenses and reports the same on a net basis when permitted by Ind AS specifically unless they are material in nature.

Critical accounting estimates and judgments

The preparation of the Company's financial statements requires Management to make use of estimates and judgments. In view of the inherent uncertainties and a level of subjectivity involved in measurement of items, it is possible that the outcomes in the subsequent financial years could differ from those on which the Management's estimates are based. Accounting estimates and judgments are used in various line items in the financial statements for e.g.:

- Business model assessment [Refer note no. 3.3(a)]
- Fair value of financial instruments [Refer note no. 3.3(i), 31]
- Effective Interest Rate (EIR) [Refer note no. 3.1(i)]
- Impairment on financial assets [Refer note no. 3.3(i), 23 and 34]
- Provisions and other contingent liabilities [Refer note no. 3.9 and 28]
- Provision for tax expenses [Refer note no. 3.4(i)]
- Residual value and useful life of property, plant and equipment [Refer note no. 3.5(d)]

BURLINGTON FINANCE LIMITED

Notes to IND AS Financial Statement for the year ended March 31, 2023

2.2 Functional and presentation currency

These financial statements are presented in Indian Rupees ('INR' or 'Rs.') which is also the Company's functional currency.

2.3 Statement of Compliance

These financial statements of the Company have been prepared in accordance with Indian Accounting Standards as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 and the other relevant provisions of the Act.

3 Summary of Significant Accounting Policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

3.1 Income

(i) Interest Income

The Company recognises interest income using Effective Interest Rate (EIR) on all financial assets subsequently measured at amortised cost or fair value through other comprehensive income (FVOCI). EIR is calculated by considering all costs and incomes attributable to acquisition of a financial asset or assumption of a financial liability and it represents a rate that exactly discounts estimated future cash payments/receipts through the expected life of the financial asset/financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability.

The Company recognises interest income by applying the EIR to the gross carrying amount of financial assets other than credit-impaired assets. In case of credit-impaired financial assets [as set out in note no. 3.3(i)] regarded as 'stage 3', the Company recognises interest income on the amortised cost net of impairment loss of the financial asset at EIR. If the financial asset is no longer credit-impaired [as outlined in note no.3.3(i)], the Company reverts to calculating interest income on a gross basis.

(ii) Dividend Income

Dividend income on equity shares is recognised when the Company's right to receive the payment is established, which is generally when shareholders approve the dividend.

(iii) Net gain on fair value changes

Financial assets are subsequently measured at fair value through profit or loss (FVTPL) or fair value through other comprehensive income (FVOCI), as applicable. The Company recognises gains/losses on fair value change of financial assets measured as FVTPL and realised gains/losses on derecognition of financial asset measured at FVTPL and FVOCI.

Net gain from Financial Instruments at FVTPL includes all realized and unrealized fair value changes. Net realized gain or loss from financial instruments at FVTPL is calculated using the average cost method.

Notes to IND AS Financial Statement for the year ended March 31, 2023

139

3.2 Cash and cash equivalents

Cash and cash equivalents include cash on hand, other short term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

3.3 Financial instruments

A financial instrument is defined as any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Trade receivables and payables, loan receivables, investments in securities and subsidiaries, debt securities and other borrowings, preferential and equity capital etc. are some examples of financial instruments.

All the financial instruments are recognised on the date when the Company becomes party to the contractual provisions of the financial instruments. For tradable securities, the Company recognises the financial instruments on settlement date.

(i) Financial assets

Financial assets include cash, or an equity instrument of another entity, or a contractual right to receive cash or another financial asset from another entity. Few examples of financial assets are loan receivables, investment in equity and debt instruments, trade receivables and cash and cash equivalents.

Initial measurement

All financial assets are recognised initially at fair value including transaction costs that are attributable to the acquisition of financial assets except in the case of financial assets recorded at FVTPL where the transaction costs are charged to profit or loss.

Subsequent measurement

For the purpose of subsequent measurement, financial assets are classified into four categories: (a) Debt instruments at amortised cost

- (b) Debt instruments at FVOCI
- (c) Debt instruments at FVTPL
- (d) Equity instruments designated at FVOCI

(a) Debt instruments at amortised cost

The Company measures its financial assets at amortised cost if both the following conditions are met:

- The asset is held within a business model of collecting contractual cash flows; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Sole Payments of Principal and Interest (SPPI) on the principal amount outstanding.

To make the SPPI assessment, the Company applies judgment and considers relevant factors such as the nature of portfolio and the period for which the interest rate is set.

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument by instrument basis, but at a higher level of aggregated

BURLINGTON FINANCE LIMITED Notes to IND AS Financial Statement for the year ended March 31, 2023

portfolios. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated financial assets going forward.

The business model of the Company for assets subsequently measured at amortised cost category is to hold and collect contractual cash flows. However, considering the economic viability of carrying the delinquent portfolios in the books of the Company, it may sell these portfolios to banks and/or asset reconstruction companies.

After initial measurement, such financial assets are subsequently measured at amortised cost on effective interest rate (EIR). For further details, refer note no. 3.1(i). The expected credit loss (ECL) calculation for debt instruments at amortised cost is explained in subsequent notes in this section.

(b) Debt instruments at FVOCI

The Company subsequently classifies its financial assets as FVOCI, only if both of the following criteria are met:

- The objective of the business model is achieved both by collecting contractual cash flows and selling the financial assets; and
- Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

Debt instruments included within the FVOCI category are measured at each reporting date at fair value with such changes being recognised in other comprehensive income (OCI). The interest income on these assets is recognised in profit or loss. The ECL calculation for debt instruments at FVOCI is explained in subsequent notes in this section.

Debt instruments such as long term investments in Government securities to meet regulatory liquid asset requirement of the Company's deposit program and mortgage loans portfolio where the Company periodically resorts to partially selling the loans by way of assignment to willing buyers are classified as FVOCI.

On derecognition of the asset, cumulative gain or loss previously recognised in OCI is reclassified to profit or loss.

(c) Debt instruments at FVTPL

The Company classifies financial assets which are held for trading under FVTPL category. Held for trading assets are recorded and measured in the Balance Sheet at fair value. Interest and dividend incomes are recorded in interest income and dividend income, respectively according to the terms of the contract, or when the right to receive the same has been established. Gain and losses on changes in fair value of debt instruments are recognised on net basis through profit or loss.

Notes to IND AS Financial Statement for the year ended March 31, 2023

(d) Equity investments designated under FVOCI

All equity investments in scope of Ind AS 109 'Financial Instruments' are measured at fair value. The Company has strategic investments in equity for which it has elected to present subsequent changes in the fair value in other comprehensive income. The classification is made on initial recognition and is irrevocable.

141

14

All fair value changes of the equity instruments, excluding dividends, are recognised in OCI and not available for reclassification to profit or loss, even on sale of investments. Equity instruments at FVOCI are not subject to an impairment assessment.

Derecognition of Financial Assets

The Company derecognises a financial asset (or, where applicable, a part of a financial asset) when:

- The right to receive cash flows from the asset have expired; or
- The Company has transferred its right to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under an assignment arrangement and the Company has transferred substantially all the risks and rewards of the asset. Once the asset is derecognised, the Company does not have any continuing involvement in the same.

Impairment of financial assets

ECL are recognised for financial assets held under amortised cost, debt instruments measured at FVOCI, and certain loan commitments.

Financial assets where no significant increase in credit risk has been observed are considered to be in 'stage 1' and for which a 12 month ECL is recognised. Financial assets that are considered to have significant increase in credit risk are considered to be in 'stage 2' and those which are in default or for which there is an objective evidence of impairment are considered to be in 'stage 3'. Lifetime ECL is recognised for stage 2 and stage 3 financial assets.

At initial recognition, allowance (or provision in the case of loan commitments) is required for ECL towards default events that are possible in the next 12 months, or less, where the remaining life is less than 12 months.

In the event of a significant increase in credit risk, allowance (or provision) is required for ECL towards all possible default events over the expected life of the financial instrument ('lifetime ECL').

Financial assets (and the related impairment loss allowances) are written off in full, when there is no realistic prospect of recovery.

Treatment of the different stages of financial assets and the methodology of determination of ECL

(a) Credit impaired (stage 3)

The Company recognises a financial asset to be credit impaired and in stage 3 by considering relevant objective evidence, primarily whether:

- Contractual payments of either principal or interest are past due for more than 90 days;
- The loan is otherwise considered to be in default.

Restructured loans, where repayment terms are renegotiated as compared to the original contracted terms due to significant credit distress of the borrower, are classified as credit impaired. Such loans continue to be in stage 3 until they exhibit regular payment of

BURLINGTON FINANCE LIMITED Notes to IND AS Financial Statement for the year ended March 31, 2023

renegotiated principal and interest over a minimum observation period, typically 12 monthspost renegotiation, and there are no other indicators of impairment. Having satisfied the conditions of timely payment over the observation period these loans could be transferred to stage 1 or 2 and a fresh assessment of the risk of default be done for such loans.

Interest income is recognised by applying the EIR to the net amortised cost amount i.e. gross carrying amount less ECL allowance.

(b) Significant increase in credit risk (stage 2)

An assessment of whether credit risk has increased significantly since initial recognition is performed at each reporting period by considering the change in the risk of default of the loan exposure. However, unless identified at an earlier stage, 30 days past due is considered as an indication of financial assets to have suffered a significant increase in credit risk. Based on other indications such as borrower's frequently delaying payments beyond due dates though not 30 days past due are included in stage 2 for mortgage loans.

The measurement of risk of defaults under stage 2 is computed on homogenous portfolios, generally by nature of loans, tenors, underlying collateral, geographies and borrower profiles. The default risk is assessed using PD (probability of default) derived from past behavioural trends of default across the identified homogenous portfolios. These past trends factor in the past customer behavioural trends, credit transition probabilities and macroeconomic conditions. The assessed PDs are then aligned considering future economic conditions that are determined to have a bearing on ECL.

(c) Without significant increase in credit risk since initial recognition (stage 1)

ECL resulting from default events that are possible in the next 12 months are recognised for financial instruments in stage 1. The Company has ascertained default possibilities on past behavioural trends witnessed for each homogenous portfolio using application/behaviourial score cards and other performance indicators, determined statistically.

(d) Measurement of ECL

The assessment of credit risk and estimation of ECL are unbiased and probability weighted. It incorporates all information that is relevant including information about past events, current conditions and reasonable forecasts of future events and economic conditions at the reporting date. In addition, the estimation of ECL takes into account the time value of money. Forward looking economic scenarios determined with reference to external forecasts of economic parameters that have demonstrated a linkage to the performance of our portfolios over a period of time have been applied to determine impact of macro economic factors.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD). ECL is calculated by multiplying the PD, LGD and EAD and adjusted for time value of money using a rate which is a reasonable approximation of EIR.

- Determination of PD is covered above for each stages of ECL.
- EAD represents the expected balance at default, taking into account the repayment of principal and interest from the Balance Sheet date to the date of default together with any expected drawdowns of committed facilities.

Notes to IND AS Financial Statement for the year ended March 31, 2023

- 143
- LGD represents expected losses on the EAD given the event of default, taking into account, among other attributes, the mitigating effect of collateral value at the time it is expected to be realised and the time value of money.

A more detailed description of the methodology used for ECL is covered in the 'credit risk' section of note no. 33.

(ii) Financial liabilities

Financial liabilities include liabilities that represent a contractual obligation to deliver cash or another financial assets to another entity, or a contract that may or will be settled in the entities own equity instruments. Few examples of financial liabilities are trade payables, debt securities and other borrowings and subordinated debts.

Initial measurement

All financial liabilities are recognised initially at fair value and, in the case of borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade payables, other payables, debt securities and other borrowings.

Subsequent measurement

After initial recognition, all financial liabilities are subsequently measured at amortised cost using the EIR. Any gains or losses arising on derecognition of liabilities are recognised in the Statement of Profit and Loss.

Derecognition

The Company derecognises a financial liability when the obligation under the liability is discharged, cancelled or expired.

(iii) Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet only if there is an enforceable legal right to offset the recognised amounts with an intention to settle on a net basis or to realise the assets and settle the liabilities simultaneously.

3.4 Taxes

(i) Current tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, in accordance with the Income Tax Act, 1961 and the Income Computation and Disclosure Standards (ICDS) prescribed therein. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current tax relating to items recognised outside profit or loss is recognised in correlation to the underlying transaction either in OCI or directly in other equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Notes to IND AS Financial Statement for the year ended March 31, 2023

(ii) Deferred tax

Deferred tax is provided using the Balance Sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences and deferred tax assets are recognized for deductible temporary differences to the extent that it is probable that taxable profits will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets, if any, are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognised outside profit or loss is recognised either in OCI or in other equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.5 Property, plant and equipment

Property, plant and equipment are carried at historical cost of acquisition less accumulated depreciation and impairment losses, consistent with the criteria specified in Ind AS 16 'Property, Plant and Equipment'.

Depreciation on property, plant and equipment

- (a) Depreciation is provided on a pro-rata basis for all tangible assets on written down value method over the useful life of assets.
- (b) Useful lives of assets assessed by the Management is similar to those prescribed by Schedule II Part C of the Companies Act, 2013.
- (c) An item of property, plant and equipment and any significant part initially recognised is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included under other income in the Statement of Profit and Loss when the asset is derecognised.
- (d) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

3.6 Intangible assets and amortisation thereof

Intangible assets, representing softwares are initially recognised at cost and subsequently carried at cost less accumulated amortisation and accumulated impairment. The intangible assets are amortised using the written down value method over the useful life of assets.

Useful lives of assets assessed by the Management is similar to those prescribed by Schedule II – Part C of the Companies Act, 2013.

Notes to IND AS Financial Statement for the year ended March 31, 2023

The useful lives of intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

145

145

3.7 Impairment of non-financial assets

An assessment is done at each Balance Sheet date to ascertain whether there is any indication that an asset may be impaired. If any such indication exists, an estimate of the recoverable amount of asset is determined. If the carrying value of relevant asset is higher than the recoverable amount, the carrying value is written down accordingly.

3.8 Finance Cost

Finance costs represents Interest expense recognised by applying the Effective Interest Rate (EIR) to the gross carrying amount of financial liabilities other than financial liabilities classified as FVTPL.

The EIR in case of a financial liability is computed

a. As the rate that exactly discounts estimated future cash payments through the expected life of the financial liability to the gross carrying amount of the amortised cost of a financial liability.b. By considering all the contractual terms of the financial instrument in estimating the cash flows.c. Including all fees paid between parties to the contract that are an integral part of the effective interest rate, transaction costs, and all other premiums or discounts.

Interest expense includes issue costs that are initially recognised as part of the carrying value of the financial liability and amortised over the expected life using the effective interest method. These include fees and commissions payable to advisers and other expenses such as external legal costs, rating fee etc, provided these are incremental costs that are directly related to the issue of a financial liability.

3.9 Provisions and contingent liabilities

The Company creates a provision when there is present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. The Company also discloses present obligations for which a reliable estimate cannot be made. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

3.10 Fair value measurement

The Company measures its qualifying financial instruments at fair value on each Balance Sheet date.

Fair value is the price that would be received against sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place in the accessible principal market or the most advantageous accessible market as applicable.

Notes to IND AS Financial Statement for the year ended March 31, 2023

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data is available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy into Level I, Level II and Level III based on the lowest level input that is significant to the fair value measurement as a whole. For a detailed information on the fair value hierarchy.

For assets and liabilities that are fair valued in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by reassessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

3.11 Earnings per share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares.

3.12 Cash Flow Statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

3.13 Contingent Liabilities

Contingent liability is a possible obligation arising from past events and the existence of which will be confirmed only by occurrence or non-occurrence one or more future events not wholly within the control of the company or a present obligation that arises from past events but is not recognized because it is not possible that an outflow of resources embodying economic benefits will be required to be settle the obligation or reliable estimate of the amount of the obligation cannot be made. The company discloses the existence in Notes to financial Statements.

Recent Accounting Pronouncement:

The Ministry of Corporate Affairs (MCA) notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 31, 2023, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2023, applicable from April 1,2023, as below:

BURLINGTON FINANCE LIMITED Notes to IND AS Financial Statement for the year ended March 31, 2023

147

a) <u>Ind AS 1, Presentation of Financial Statements</u>: This amendment requires the entities to disclose their material accounting policies rather than their significant accounting policies. The Company does not expect this amendment to have any significant impact in its financial statements.

b) <u>Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors</u>: This amendment has introduced a definition of 'accounting estimates' and included amendments to Ind AS 8, to help entities distinguish changes in accounting policies from changes in accounting estimates. The Company does not expect this amendment to have any significant impact in its financial statements.

c) <u>Ind AS 12, Income Taxes</u>: This amendment has narrowed the scope of the initial recognition exemption so that it does not apply to transactions that, on initial recognition, give rise to equal and offsetting temporary differences. The Company does not expect this amendment to have any significant impact in its financial statements.

4	Income Tax Act, 1961	Income Tax	2014-15	70714.38	143(3) r.w.s. 147	CIT Appeals -53, Mumbal

* The Company's Income tax refund adjusted and reguler assessment tax paid against the demand amounts to 159816.01 (Previous year- 148625.30).

(iii) Other Cases

One of the creditor namely M/s. Bahubali Properties Ltd filed cases against our company under N.I.Act before the Metropolitan Magistrates, Kolkata against dishonored cheques which is in process. Total dues as at Balance Sheet Date is 203690.14 (Previous year 263690.14).

(b) Capital and other commitments:

The Company doesn't have any Capital and other Commitments which need to be disclosed to the extent which has not been provided for.

29 SEGMENT INFORMATION

The Company operates in a single reportable segment i.e. financing & Investing in shares & securities, since the nature of the loans are exposed to similar risk and return profiles hence they are collectively operating under a single segment. The Company operates in a single geographical segment i.e. domestic.

30 EVENTS AFTER REPORTING DATE

There have been no events after the reporting date that require adjustment/disclosure in these financial statements.

31 FAIR VALUES

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

i) In the principal market for the asset or liability, or

ii) In the absence of a principal market, in the most advantageous market for the asset or liability The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

Notes forming part of the Financial Statements for the year ended March 31, 2023 (INR amount in hundred upto two decimals, unless otherwise stated)

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

Fair value for measurement and /or disclosure purpose in these financial statements is determined on such a basis, except for share based payment transactions that are within the scope of Ind AS 102, leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value, such as net realizable value in Ind AS 2 or value in use in Ind AS 36.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

The Company was a partner of M/s Classic Services, a partnership firm having its registered office at 16, Netaji Subhas Road, Kolkata and has a 50% share in the Profit/Loss of the said firm. The Firm is dissolved during the year under review.

33 RISK MANAGEMENT OBJECTIVE AND POLICIES

In the course of its business, the Company is exposed to certain financial risks namely credit risk, interest risk, currency risk & liquidity risk. The Company's primary focus is to achieve better predictability of financial markets and seek to minimize potential adverse effects on its financial performance.

The financial risks are managed in accordance with the Company's risk management policy which has been approved by its Board of Directors.

Market Risk

Market risk is the risk that the fair value of future cash flow of financial instruments will fluctuate due to changes in the market variables such as interest rates, foreign exchange rates and other price risk, such as equity price risk and commodity risk. The Company do not have any exposure to foreign exchange rate and further there is also no interest rate risk as the borrowings are made at Fixed rate of interest.

The company's exposure to equity security price risk arises from investments held by the company and classified in the balance sheet either at FVOCI or at fair value through profit and loss. Having regards to nature of securities, intrinsic worth, intent, and long term nature of securities held by the company, fluctuation in their prices are considered acceptable and do not warrant any management.

Liquidity Risk

The company determines its liquidity requirements in the short, medium and long term needs. This is done by drawing up cash forecast for short and long term needs.

The company manages its liquidity risk in a manner so as to meet its normal financial obligations without any significant delay or stress. Such risk is managed through ensuring operational cash flows while at the same time maintaining adequate cash and cash equivalents positions.

Credit Risk

AAJA

The credit risk is the risk of financial loss arising from counter party failing to discharge the obligation. The credit risk is controlled by analyzing credit limits and credit worthiness of customers on continuous basis to whom credit has been granted.

The Company classifies its financial assets in three stages having the following characteristics: **Stage 1:** unimpaired and without significant increase in credit risk since initial recognition on which a 12 month allowance for ECL is recognised;

Stage 2: a significant increase in credit risk since initial recognition on which a lifetime ECL is recognised;

Stage 3: objective evidence of impairment, and are therefore considered to be in default or otherwise credit impaired on which a lifetime ECL is recognised.

Unless identified at an earlier stage, all financial assets are deemed to have suffered a significant increase in credit risk when they are 30 days past due (DPD) and are accordingly transferred from stage 1 to stage 2. For stage 1 an ECL allowance is calculated based on a 12 month Point in Time (PIT) probability weighted probability of default (PD). For stage 2 and 3 assets a life time ECL is calculated based on a lifetime PD.

The Company has calculated ECL using three main components: a probability of default (PD), a loss given default (LGD) and the exposure at default (EAD) along with an adjustment considering forward macro economic conditions [for a detailed note for methodology of computation of ECL please refer to significant accounting policies note no 3.3(i) to the financial statements].

Notes forming part of the Financial Statements for the year ended March 31, 2023 (INR amount in hundred upto two decimals, unless otherwise stated)

PD: Internal evaluation with a management overlay for each customer or customer industry segment. EAD: EAD is computed taking into consideration the time to default based on historic trends across rating profile. LGD: Based on estimates of cash flows.

Particulars	N	March 31, 2023			March 31, 2022		
	Stage 1	Stage 2	Stage 3	Stage 1	Stage 2	Stage 3

35 Capital Management

The primary objective of the Company's capital management policy is to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

37 EXERCISING OPTION U/S 115BAA

The company has recognized the Income Tax Liability at the rate prescribed under section 115BAA of the Income Tax Act, 1961 as introduced by taxation laws (Amendment) Act, 2019.

38 MSME DISCLOSURE

The Company has no dues to Micro and Small Enterprises covered under the [MSMED Act, 2006] as at March 31, 2023 and March 31, 2022. This information is required to be disclosed under the Micro, Small and Medium Enterprises development Act, 2006 and has been determined to the extent such parties have been identified on the basis of information available with the Company.

39 FOREIGN EXCHANGE TRANSACTION

There is no transaction of Foreign Exchange during the year (Previous year: Nil).

Notes forming part of the Financial Statements for the year ended March 31, 2023 (INR amount in hundred upto two decimals, unless otherwise stated)

40 DISCLOSURE AS REQUIRED UNDER RBI NOTIFICATION NO. RBI/2019-20/170 DOR (NBFC).CC.PD.NO.109/22.10.106/2019-20 DATED 13 MARCH 2020 ON IMPLEMENTATION OF INDIAN ACCOUNTING STANDARDS

There is no difference in provisions required under extant prudential norms on Income Recognition, Asset Classification and Provisioning (IRACP) and impairment allowances made under Ind AS 109 for the year ended March 31, 2023. Thus the table pointing out the difference under both cases have not been given.

Since there is no difference in total impairment allowances under Ind AS 109 and the total provisioning required under IRACP (including standard asset provisioning) as at March 31, 2023, no amount is required to be transferred to 'Impairment Reserve'. The gross carrying amount of asset as per Ind AS 109 and Loss allowances (Provisions) thereon includes interest accrual on net carrying value of stage - 3 assets as permitted under Ind AS 109. While, the provisions required as per IRACP norms does not include any such interest as interest accrual on NPAs is not permitted under IRACP norms.

41 Information as required by Non-Banking Financial Company - Non Systematicaly important Non Deposit Taking Company (Reserve Bank) Direction, 2016 is furnished vide - Schedule A attached herewith. These disclosures are prepared under Ind AS issued by MCA.

42 COMPARATIVE YEAR FIGURE

Previous year's figures have been regrouped / reclassified wherever necessary to correspond with the current year's classification / disclosure.

43 The Company is listed in the Calcutta Stock Exchange. Since, Calcutta Stock Exchange is not operating, Company is unable to comply the required formalities as prescribed by regulation 33 of Securities and Exchange Board of India (Listing Öbligations and Disclosure Requirements) Regulation, 2015.
